Enjoy real life experience in ministry, recreation management, planning, budgeting, volunteer supervision, program development and more ...

Broken Heart Ministries / Fundatia Broken Heart exists to serve the children of Romania. It is a Christian ministry that provides Transitional Living Centers for children leaving the orphanages, discipleship for children living in orphanages, and has collaborations with other ministries serving the poor and disadvantaged children in Romania. It is a non-denominational Calvary Chapel Ministry located in the capital city of Bucharest. As the Lord is leading us to expand our efforts, we need more workers.

Applicants must have a personal relationship with Jesus. Previous international experience is preferred but not required. All Broken Heart Ministries staff are responsible for raising their own support – no salaries are provided. Broken Heart Ministries will work with you to locate housing. A one year commitment is preferred.

If you are interested in ministering to God's people in Romania and serving along side other internationals while working overseas, please contact:

Dr. Renee McDannel, rpmusc@aol.com

We look forward to hearing from you!
